

TEKNİK ÖZELLİKLER

TECHNICAL SPECIFICATIONS

- Güçlendirilmiş yapısı ile maksimum güvenlik sağlar.
- Dayanıklı yapısı ve güçlendirilmiş paneller ile ekstra sağlamlık sağlar.
- Galvaniz kaplama sayesinde uzun ömürlü ve bakım gerektirmez.
- Yekparedir, tüm sistemleri aynı anda üretilir ve montaj edilir.

- It provides maximum safety with its reinforced structure.
- It provides extra strength with its durable structure and reinforced panels.
- It is long-lasting and maintenance-free thanks to its galvanized coating.
- It is monolithic, all systems are produced and assembled at the same time.
